

# Technical sheet

# WOLF HEADSET PRO

PPE certified hearing protection with DAB+,  
FM, Bluetooth, microphone and boom mic jack

# What it takes to protect

WOLF Headset PRO is a PPE-certified hearing protection with Bluetooth, DAB+, FM, and solid construction.

Headset PRO has a built-in microphone and Bluetooth for hands-free streaming from your smart device. It also has a display with a clock, battery indication, and DLS (dynamic label system) from the broadcaster (info about song titles, names, etc.). Headset PRO has a boom mic jack and is certified on the IPX4 standard for waterproofness.

The internal battery is rechargeable and will last for two whole days of work.

Accessories (can be bought separately):

- External Boom Microphone
- Replaceable hygiene kit (new ear muffs)
- Replaceable battery

## Logistics

Units per carton	<b>20 pcs</b>
HS code	<b>8518 3000</b>
Country of origin	<b>China</b>
